

# THE CURLINGS KEVIN AND SARAH

VOLUME 1, ISSUE 2

JUNE, 2014

*Hello from  
Kevin  
and  
Sarah  
Curling*

## UNDER THE SOUTHERN CROSS

Geetings Family,  
friends and everyone:

After a couple  
months delay, we  
finally made it to  
New Zealand.

We arrived in  
Auckland on Friday  
June 13th. We took  
a bus across the  
North Island to  
Tauranga. We spent  
the first weekend just  
getting acclimated to  
the ship and our  
living arrangements.

On Monday, we  
went to work. Sarah  
is the chief chef, so  
she has very clear  
work duties and went  
right to work. There  
are four and  
sometimes five  
others that live on the  
ship. During the day  
there are anywhere  
from three to ten

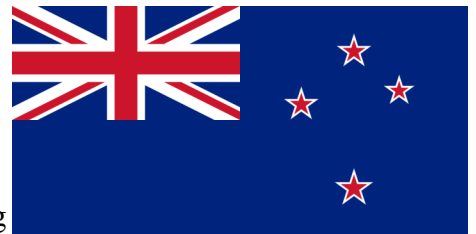

others that show up  
for work. Sarah  
fixes lunch for as  
many as are here,  
and dinner for the  
seven of us every  
day.

I will be one of the  
mates eventually.  
Since the ship is  
under refit, I have  
been lending a hand  
wherever it is  
needed. Mostly I  
have been chipping  
paint, grinding rust  
and painting. I have  
also been going  
through all of our  
safety gear  
(immersion suites  
and floatation  
devices) and making  
sure they are up to  
regulation.

There is much work  
to be done on the  
Pacific Hope. They  
are planning on

being able to sail  
around New Zealand  
on a public relations  
tour in September.

In later newsletters,  
we will start showing  
you the progress of  
the ship refit.

## THE CURLINGS

### WORKING IN THE GALLEY

Here are some pictures of the temporary galley. The real galley is being rebuilt, so Sarah does all of the food preparation in this space.

She is feeding anywhere from seven to twenty people each meal. Lunches

are usually bigger, since there are many who come on board during the day to work.

There are seven of us who live on board. Our engineer is from Fiji, and there is one crew from the Philippines, and the rest are Kiwis from

New Zealand, and of course, Sarah and I from the United States.

## JOIN OUR CREW

We are praying to assemble a team of supporters and we ask you to pray about supporting us during this coming season.

We need a team of people that believe in what we are doing. This team will do more than keep us on the field, they really are participants in all that we will do.

Looking forward, we hope to build a strong support team. We are asking those of you who are not able to leave home to see the lost, broken and isolated of the world be healed and come to Christ to be actively involved through praying and supporting us so that we can.

**PRAYER:** We will send a monthly update on what is happening as well as prayer requests. We trust that our crew at home will pray effectively for these things. We know He hears the prayers of His people. We expect to see God move!

**GIVING:** What people do with their money is spiritually driven; it shows their heart's treasure. We know that you invest your money in God's work. We long to reach the isolated and oppressed people of the world with the powerful message of the gospel. This venture is the best way we could find to invest ourselves to see that happen. We invite you to join us as a financial partner to make it possible for us to serve. Would you consider a regular gift of \$30 or \$100 month? We are looking for 50 people to help us at these levels. Beginning now. For both of us to stay on the ship, we need \$1,500 a month

**LET US HEAR FROM YOU:** We want to thank you for prayerfully considering this investment in the Great Commission. Please contact us, so we will know how to stay connected to you, pray for you and know what kind of support we can expect from you.
